Similar to the 408-P Storage Lift, but it is longer, wider, and heavier. The 409-HP is capable of lifting 12" higher and an additional 1,000 lbs than the 408-HP Storage Lift. This storage lift is portable with the optional caster kit, and does not need to be anchored. The 409-HP fits under 10' ceilings.

- 5-Year Warranty on Steel Components**
- 3-year Warranty on Hydraulic Parts**
- 2-Year Warranty on Electrical Components**

### Features

- Fits under 10' ceilings
- AMGO ETL certified power unit
- AMGO's patented design concealed safety lock control device, with manual single-point lock release.
- Double-S shaped columns help increase the columns' strength
- Non-slip platforms
- Support back to back installation to minimize footprint
- Power side column can be installed at any corner
- Extremely high lifting is suitable to park taller vehicles
- Pull rope included
- Steel ramps included

**We Offer the Best Warranty in the Industry.**
