Professional Toolboxes & Tool Chests Built Beyond the Competition

The Toolbox Manufacture of Choice

Thank you for your interest in our professional line of toolboxes. Extreme Tools[®], Inc. has been in business since 1999 and is located in Naperville, IL. We are known for developing one of the highest quality professional toolboxes on the market at a much lower price than our competition. **Extreme Tools[®], Inc.**, is focused on manufacturing professional toolboxes for the retail, automotive and industrial market.

Backed by more than 30 years of experience bringing new innovative ideas to the industry. Extreme Tools[®], Inc. has all the solutions for all your tool storage needs. We also specialize in OEM product development and manufacturing.

Extreme Tools[®], Inc. professional series toolboxes include new patents and design features such as a double steel wall drawer front, hutch shelf with built in power strip, no visible spot welds on drawer front, and an 11 gauge steel frame, which makes our product very unique. Please feel free to browse through our online catalog to get more information on our products. The online catalog can be printed or down loaded.
